Final Count Form

This final count is for the following dates: _____

Church Name _____

Contact Person _____ Phone (____) _____

IMPORTANT: The following MUST precede your arrival.

- Certificate of Liability Insurance listing Thousand Pines as a Certificate Holder
- This Final Count Form (adjustments may be made following remittance)
- Minimum Balance Due (adjustments may be made following remittance)

We hesitate to apply a late fee of \$100.00, but it is very important that we receive these items ahead of time. We greatly appreciate your cooperation.

Should your numbers fall BELOW your contracted numbers, your church is financially responsible for the shortfall. Feel free to phone in to see if we can sell your spaces to another church. We do our best! Should your actual registration numbers be ABOVE your contracted numbers, please phone to see if bed space is still available before bringing extra campers.

Counselor Discounts: When a counselor counsels 8 or more campers from your church (of the same gender) that counselor attends free of charge. When a counselor counsels 4-7 campers from your church (of the same gender) that counselor attends at half price. We have estimated your counselor discounts on your original invoice to avoid issuing a refund. Under the circumstances in which our estimate is not actual OR you are approved to bring an increase in campers, there may be an invoice with either a balance due or a small refund the week following camp. We would like to have either case resolved within 30 days of camp.

Fill out and fax over the following information even if your registration is not quite completed. Phone or email in adjustments: 1-888-423-2267 OR GR@thousandpines.com.
